

Thank you for download the new Closing Cost Calculator for All About Escrow. The following directions will assist you in getting the CCost program setup on your local computer.

1. From our website www.allaboutescrowinc.com click on the "Download Closing Cost Program" link.

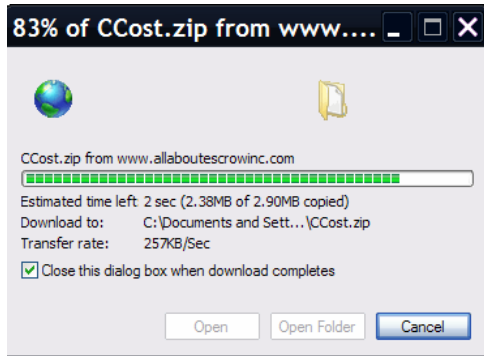

2. Choose to SAVE the file.

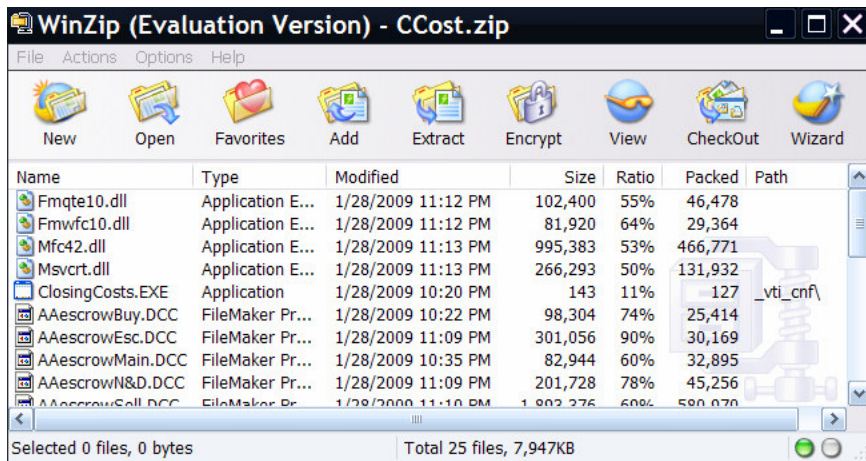

3. Save the file to your Computers DESKTOP

(Click on Desktop then once desktop is selected click on Save)

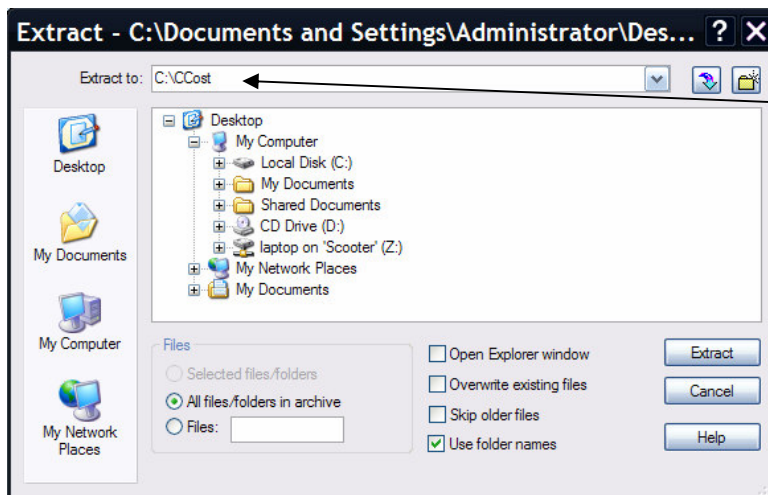

4. The file will now be downloaded to your desktop

5. Locate the file CCost.zip on your local desktop and double click it to open it.
(you will need to OPEN the file using WinZip®.)

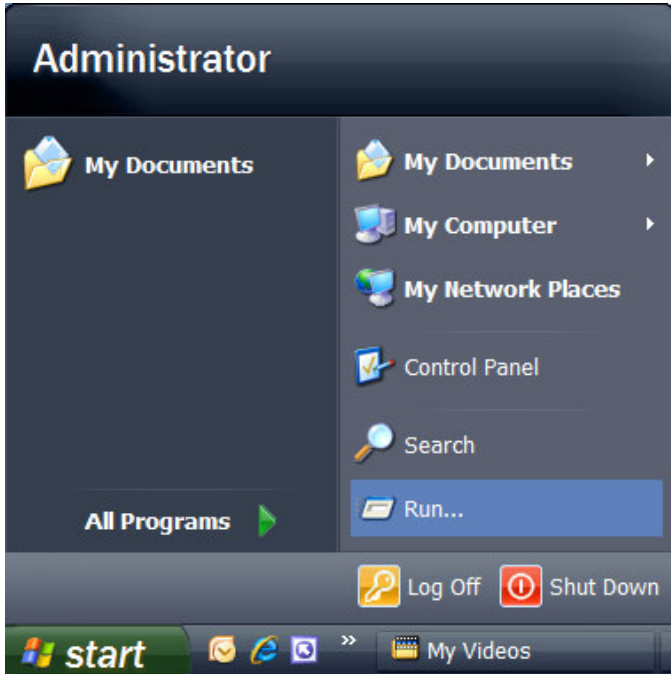

Click the Extract button (Winzip Extract shown in example)

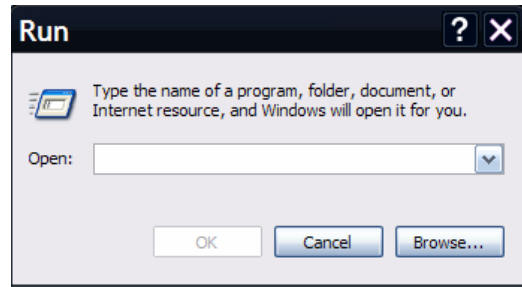

5. Type C:\CCost in the Extract to: field (as shown)

6. Click the Extract/Finish button to complete this step.

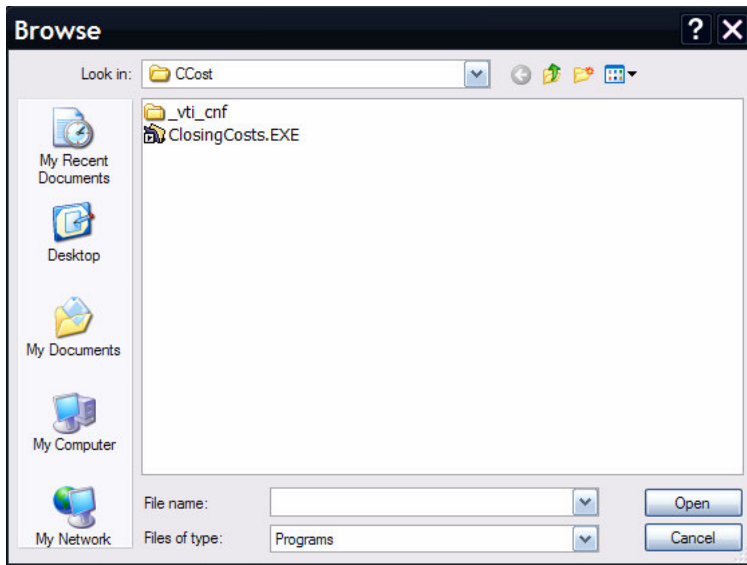

7. You will briefly see some activity on the screen then be returned to the WinZip window. Once there close all open windows before continuing.

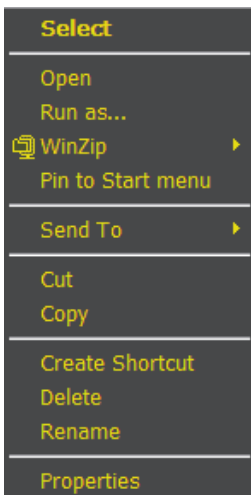

8. Click on your START button and then select RUN from the menu screen

9. Click the Browse.. button

10. Click on My Computer
Click and open the C drive
Click and open the CCost folder

Right Click on the file ClosingCost.exe and then select Copy from the menu.

Close all open windows

Right click on your desktop and select Paste Shortcut.

You will now have the CCost short cut on your desktop and can run it.
